Program of Studies

The program of studies is available online. Please go to the High School Guidance Department website to check out your options for the 2018/2019 school year.

The program of studies includes a listing of courses we offer, along with descriptions and prerequisite information.

Preparing for Course Registration

- Review the graduation requirements
- Look through the Program of Studies for potential elective courses
- Pay attention to course prerequisites when planning your schedule
- Prepare a list of at least four back-up electives
- Have a backup language choice
- ***The drop/add week in the spring is your only opportunity to make changes for next year***
- In the fall, if you need to make a course-level change, we can try to accommodate you at that time. ***No new courses can be added!***
- Check the High School website for applications for MSA, ALAB, and COMM Academy!
