# What is PACE

Originally funded in 2001 through a generous \$300,000 grant from NJ Department of Labor and Workforce Development, and reinforced by a \$424,000 grant in 2022, Egg Harbor Township High School's PACE program will provide education and training in the manufacturing, healthcare, wastewater, marine manufacturing, and Airport operations fields.

Participants are prepared for placement into a Registered Apprenticeship program, a post-secondary college program,<sup>o</sup> additional occupation-specific career training, or directly into the workforce making above-average wage.
