Dear Parent/Guardian(s):

Egg Harbor Township High School will be administering the state-wide assessment, PARCC (Partnership for Assessment of Readiness for College and Careers), from April 16<sup>th</sup> to May 1st. All students in English I, English II, and English III, as well as students enrolled in Algebra I, Geometry, and Algebra II will be registered to participate. This assessment, along with local district assessments, will provide valuable information for parents, students and teachers in identifying individual student needs.

We will have an alternate extended block schedule (ABCD days) which allows most students to report to testing with their class and with their Math and/or English teacher. Due to time constraints, some students with the extended time accommodation may be scheduled to test outside of their Math and/or English class. The week of April 9<sup>th</sup>, students will receive written notification of their testing dates, times and locations. Students are not permitted to have cell phones (or any unapproved electronic devices) in their possession while participating in their PARCC assessments.

The New Jersey Department of Education (NJDOE) has a **graduation assessment requirement** in the areas of English Language Arts and Mathematics. The **Class of 2021 and beyond** can meet the graduation requirement through one of two pathways:

- (1) Achieve passing scores on the PARCC ELA 10 and PARCC Algebra 1 assessments; or
- (2) Submission of a student portfolio through the Department of Education's portfolio appeal process, *assuming the student has taken all PARCC assessments for which they were eligible and receives valid scores.*

A detailed document outlining the graduation assessment requirements is posted on the guidance website under *Graduation Requirements*. A summary of that document is on the reverse side of this letter. Thank you for continuing to support your child's education. If you have any questions, please reach out to the guidance office.

Sincerely,

*Terry Charlton*

Dr. Terry Charlton, Ed. D
